The above courses are on the “Statewide Articulation Agreement: 86 Technical College Courses Transferrable to Public Senior Institutions.”*

Students are strongly encouraged to check with their academic advisor at the institution to which the course is intended to transfer. The courses will transfer to the institutions listed below; however, it is up to the receiving institution to assign transfer course credit per their requirements and it is the student’s responsibility to ensure that courses taken fulfill their transcript needs at their home institution.

*The following institutions are in agreement with this transfer policy:

The Citadel	South Carolina State University
Clemson University	University of South Carolina Columbia
Coastal Carolina University	USC Aiken
College of Charleston	USC Beaufort
Francis Marion University	USC Upstate
Lander University	Winthrop University
Medical University of South Carolina	

In addition, these WTC courses will transfer to the other 15 colleges in the SC Technical College System. These are:

Aiken Technical College	Orangeburg-Calhoun Technical College
Central Carolina Technical College	Piedmont Technical College
Denmark Technical College	Spartanburg Community College
Florence-Darlington Technical College	Technical College of the Lowcountry
