MTT 123 MACHINE TOOL THEORY II

| | |
|--|---|
| Course Number | MTT 123 |
| Course Title | Machine Tool Theory II |
| Credit Hours | 3 |
| Prerequisites | MTT 121 Machine Tool Theory I and MTT 122 Machine Tool Practice I |
| Course Description | This course covers the principles involved in machining parts using machine tools, including lathes, mills, drill presses, jig bores, and the attachments for each. |
| Course Objectives | Utilize safe work practices. Use lathes and milling machines to produce parts. Use problem solving skills to solve industrial problems. |
| Course Developer | Mike Cumbie |
| Means of Instruction | Lecture, Lab |
| Required Textbook/Written Materials/Supplies | <i>See Booklist online for current book.</i> |

Master Course Syllabus

General Education Core Competencies

| General Education Core Competencies | Course Methodology, Content and/or Assessment |
|--|---|
| <p>Communication: Students will be able to communicate effectively through reading, writing, speaking and listening.</p> <ul style="list-style-type: none"> • Prepare written documents in a professional manner. • Develop oral communication skills to present information in a professional and appropriate manner. • Demonstrate appropriate listening skills in one-on-one and small and large group settings. | <p>Students are required to participate in class discussions.</p> <p>Students will also be required to break out into teams to solve problems as a group.</p> |

| General Education Core Competencies | Course Methodology, Content and/or Assessment |
|---|---|
| <p>Mathematical Reasoning: Students will apply those mathematical skills appropriate to their program of study.</p> <ul style="list-style-type: none"> • Analyze and solve mathematical problems needed in the workplace, daily life and educational environment. • Interpret data using analytical methods. | <p>Students will use many mathematical processes including, but not limited to basic four operations math, algebraic expressions and solutions, trigonometry, and geometry, to solve problems.</p> |
| <p>Critical Thinking: Students will employ effective processes for resolving problems and making decisions.</p> <ul style="list-style-type: none"> • Identify problems and potential causes. • Solve problems using basic research, analysis and interpretation. • Evaluate results of solutions and revise strategies as indicated by findings. | <p>Evaluate prints and determine the order of work that needs to be done and follow a logical step in completing said work.</p> |

Master Course Syllabus

| | |
|---|---|
| <p>Technology Utilization: Students will apply knowledge of computers on a level compatible with job and/or educational demands.</p> <ul style="list-style-type: none"> • Demonstrate a basic knowledge of computer applications including word processing, spreadsheets, databases, and presentation software. • Use basic operating system functions competently (e.g. store and retrieve data, load software). • Demonstrate communication and research skills through use of the internet. | <p>Use all measuring and inspection equipment to assure quality of completed parts and projects.</p> <p>Use print drawing software to find dimensions that are not given.</p> |
|---|---|

| General Education Core Competencies | Course Methodology, Content and/or Assessment |
|--|---|
| <p>Interpersonal Skills: Students will deal effectively and appropriately with others.</p> <ul style="list-style-type: none"> • Interact well with individuals and groups from diverse backgrounds and cultures. • Work with others in situational analysis, problem solving, and task accomplishment. • Demonstrate respect for the rights, work, and views of others. | <p>Use class discussions to help solve complex problems that need to be addressed.</p> |

All students are given one ID badge at the beginning of semester. If you lose your ID, you must go to the library and purchase another one.</p> |

Master Course Syllabus

College Policies

| Policy Type | Policy Description |
|--|---|
| Attendance Policy | <p>Williamsburg Technical College does not require specific attendance in a course. Acknowledging that participation supports student success in coursework, however, individual instructors may set attendance guidelines for the course. Those specific guidelines must be included in the course syllabus. (<i>See Syllabus Addendum provided by the instructor.</i>)</p> <p>In addition, students must attend during the first two weeks of class or inform the instructor of their intent to attend to remain on the class roster. If no prior arrangements have been made and the student does not attend during the first two weeks following the semester start date, the student will be dropped as a “no show” from that course following the second week of class.</p> <p>Class rosters will be final as of the end of the second week of classes.</p> <p>Students may withdraw from a class at any time by completing a withdrawal form in the Student Services Office. A student can only receive a “WP” grade if withdrawal is completed in the Student Services Office prior to the last date to receive a “WP” grade published in the academic calendar. Students who fail to withdraw by the specified time will receive a letter grade for the course. For specific procedures related to this policy, refer to WTC Procedure D-23.1.</p> |
| Policy Type | Policy Description |
| Policy for Students with Disabilities | <p>The Student Affairs Division provides counseling and support services which help students with disabilities to pursue academic programs of their choice and participate fully in campus life.</p> <p>The AVP for Student Affairs can arrange counseling, special parking, priority registration, and other reasonable services needed by students with disabilities. Students with disabilities are encouraged to contact the AVP for Student Affairs to discuss needs and concerns as they arise.</p> |
| Policy for Academic Misconduct | <p>All forms of academic dishonesty including, but not limited to, cheating on tests, plagiarism, collusion, and falsification of information will call for discipline. See the Student Code & Grievance Procedure in the Williamsburg Technical College Catalog for details.</p> |

Master Course Syllabus

|--|--|
| Grading Policy | <p>The College operates on the semester hour system, and the following symbols are used in grading:</p> <p>A-- Excellent B -- Above Average C -- Average D -- Passing F -- Failure I -- Incomplete WF -- Withdrawal while failing WP -- Withdrawal while passing</p> |
| Policy for Class Safety and Emergencies | <p>Injuries must be reported to the AVP for Student Affairs immediately. Insurance claim forms are available in the Student Affairs division. Please refer to the college catalogue for more information on how Williamsburg Technical College addresses safety and emergency issues. For additional information, contact Student Affairs at 843.355.4162.</p> <p>Students taking coursework at off-site locations are responsible for reading and adhering to all safety instructions and guidance at the off-site location.</p> <p style="text-align: center;">Health Services and First Aid</p> <p>Williamsburg Technical College is a commuter institution; therefore, infirmary facilities are not provided. Basic first aid for minor injuries is available, and first aid kits are located in various departments of the College. Major illness or injury will be treated by health professionals. The campus is located adjacent to Williamsburg Regional Hospital.</p> <p>Each student is covered by accident insurance at no additional cost. This group insurance covers the student while on campus and during college-sponsored group travel.</p> |
