6. Student Engagement

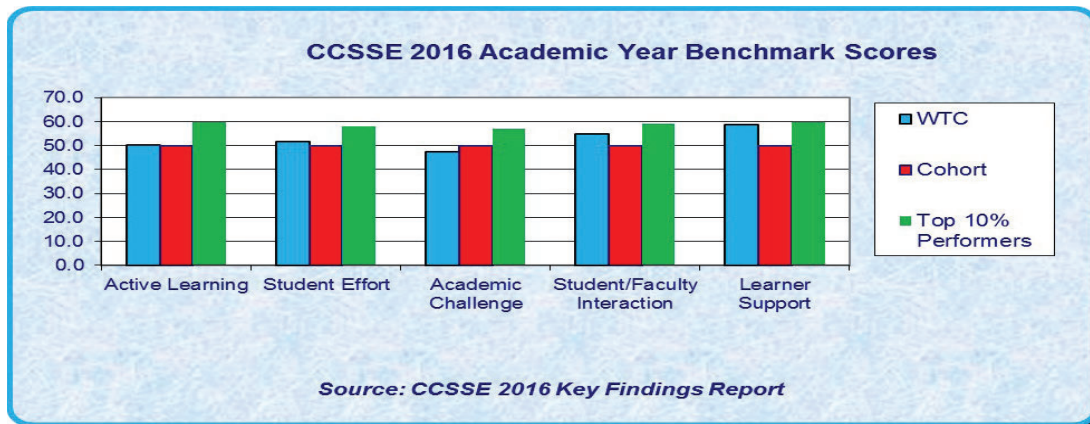

**Student engagement data is reported from Community College Survey of Student Engagement (CCSSE). In 2018, the Williamsburg Technical College President's Council decided to participate in the CCSSE survey every two years rather than every year. In February 2020 the course data was reported to CCSSE for surveys to be provided to the college for the 2020 reporting year. In March 2020, however, CCSSE notified WTC that due to the Global Pandemic their offices would be closed, and no CCSSE data would be provided for the 2020 cycle. WTC will report data for 2021 or as soon as the CCSSE offices are reopened following the COVID-19 shutdown. Below is data from the previous years.*
