

Class Schedule - Spring 2022

Due to current conditions of the COVID-19 pandemic, WTC will continue to offer online classes and some hybrid classes. Hybrid courses are labeled in the Note: "Location/Special notes" column as "On WTC campus" for a portion of the class, and courses with a lab or clinical site requirement are also noted in the "Location/Special notes" section. Industrial technology and other courses as identified will be held in person on campus.

Classes will begin January 10, 2022 and end May 2, 2022 unless otherwise noted.

NOTES: This 2022 Spring Schedule may be subject to change.
