Dear Friend of WTC,

Our annual Taste of Williamsburg at Williamsburg Technical College is scheduled for Thursday, October 26 from 6-8 p.m. In the broadest sense, the purpose of the Office of Development and the WTC Foundation is to create an awareness within the private sector of the financial needs of the College that are not met by state or federal support. As some of you may have heard, WTC has big plans to expand in the coming months/years with a project estimated around \$29 million dollars. It is the Foundations' goal to aid in this endeavor however possible, so your sponsorship will be greatly appreciated and responsibly appropriated to those needs. This event is sure to be a blast and we are excited that you are considering participation.

Enclosed please find the following three items to review:

- An event information poster to display or share with others
- Sponsorship levels and benefits information
- A sponsorship application

Please feel free to call (office: 843.355.4121 cell: 843-372-2555) or email (burrowsm@wiltech.edu) me with any questions. If I am not available, Jeana Faye Reynolds can be reached by phone (843.355.4185) or email (reynoldsj@wiltech.edu). All we ask is for you to scan and email or mail the complete form to us by September 15th (with your check made payable to the WTC Foundation if you are a sponsor).

We look forward to working with you on this event.

Sincerely,

Martha Burrows
