The student will apply rational problem solving when implementing plan of care. The student will seek consultation when clinical problems fall outside current knowledge or scope of practice

Technology Utilization: Students will apply knowledge of computers on a level compatible with job and/or educational demands.

- Demonstrate a basic knowledge of computer applications including word processing, spreadsheets, databases, and presentation software.
- Use basic operating system functions competently (e.g. store and retrieve data, load software).
- Demonstrate communication and research skills through use of the internet.

Students will protect the safety and privacy of the individual's computerized and paper health care records and information

General Education Core Competencies	Course Methodology, Content and/or Assessment
Interpersonal Skills: Students will deal	Can work effectively with other students in
effectively and appropriately with others.	completing assignments as a project team.
• Interact well with individuals and groups	Is able and willing to instruct less experienced
from diverse backgrounds and cultures.	students in completing work assignments.
 Work with others in situational analysis, problem solving, and task accomplishment. Demonstrate respect for the rights, work, and views of others. 	The student will collect data for individuals using standard protocol or tool: implement plan of care; report/record findings and assist in planning and evaluating care.
	The student will contribute to the development of nursing care plans.
	The student will express a caring and empathetic
	connection with individuals in order to provide
	compassionate, sensitive and appropriate care
	Demonstrates flexibility in assigned shared responsibilities.
	Interacts well with individuals from diverse
	backgrounds and cultures while refraining from
	discriminatory practices, (ex. Gender)

Professionalism: Students will exhibit professionalism through observances of a code of ethics, a sense of responsibility, good habits, and a positive attitude.

- Demonstrate personal and business integrity and ethics.
- Recognize, manage, and cope with the transitions of change.
- Utilize informational resources for lifelong learning.

The student will adhere to Nursing Code of Ethics.

The student will respect privacy and dignity of the patient.

The student will comply with the Nurse Practice Act.

Be eager for a lifelong learning career

College Policies

Policy Type	Policy Description
Attendance Policy	It is the policy of Williamsburg Technical College that there are no excused student absences. Students are required to attend 90% of the scheduled contact hours of class. If more than 10% of scheduled contact hours are missed, the student will be dropped for excessive absences. Additionally, if a student is absent from every scheduled class of a course during the first two weeks of a term, the student will be dropped as a "no show" from that course. Individual instructors may set higher required attendance and tardy standards but must include those standards in their course syllabus and announce their standards in both the first- and second-class meetings each semester. Class rosters will be final as of the end of the second week of classes. For specific procedures related to this policy, refer to WTC Procedure D-23.1. Students may withdraw from a class at any time by completing a withdrawal form in the Student Services Office. A student can only receive a "WP" grade if withdrawal is completed in the Student Services Office prior to the last date to receive a "WP" grade published in the academic calendar. Students who fail to withdraw by the specified time will receive a letter grade for the course. For specific procedures related to this policy, refer to WTC Procedure D-23.1.
Policy Type	Policy Description
Policy for Students with Disabilities	The Student Affairs Division provides counseling and support services which help students with disabilities to pursue academic programs of their choice and participate fully in campus life. The VP for Student Affairs can arrange counseling, special parking, priority registration, and other reasonable services needed by students with disabilities. Students with disabilities
	are encouraged to contact the VP for Student Affairs to discuss needs and concerns as they arise.
Policy for Academic Misconduct	All forms of academic dishonesty including, but not limited to, cheating on tests, plagiarism, collusion, and falsification of information will call for discipline. See the Student Code & Grievance Procedure in the Williamsburg Technical College Catalog for details.

Canding Dalies	
Grading Policy	The College operates on the semester hour system, and the following symbols are used in grading:
	A Excellent
	B Above Average
	C Average
	D Passing
	F Failure
	I Incomplete
	WF Withdrawal while failing
	WP Withdrawal while passing
Policy for Class Safety and Emergencies	Injuries must be reported to the VP for Student Affairs immediately. Insurance claim forms are available in the Student Affairs division. Please refer to the college catalogue for more information on how Williamsburg Technical College addresses safety and emergency issues. For additional information, contact Student Affairs at 843.355.4162. Students taking coursework at off-site locations are responsible for reading and adhering to all safety instructions and guidance at the off-site location.
	Health Services and First Aid
	Williamsburg Technical College is a commuter institution; therefore, infirmary facilities are not provided. Basic first aid for minor injuries is available, and first aid kits are located in various departments of the College. Major illness or injury will be treated by health professionals. The campus is located adjacent to Williamsburg Regional Hospital.
	Each student is covered by accident insurance at no additional cost. This group insurance covers the student while on campus and during college-sponsored group travel.
