• Demonstrate personal and business integrity and ethics.	
Recognize, manage, and cope with the transitions of change.	
Utilize informational resources for lifelong learning.	

College Policies

Policy Type	Policy Description
Attendance Policy	It is the policy of Williamsburg Technical College that
	there are no excused student absences. Students are
	required to attend 90% of the scheduled contact hours of class. If more than 10% of scheduled contact hours
	are missed, the student will be dropped for excessive
	absences. Additionally, if a student is absent from
	every scheduled class of a course during the first two
	weeks of a term, the student will be dropped as a "no
	show" from that course. Individual instructors may set
	higher required attendance and tardy standards but
	must include those standards in their course syllabus and announce their standards in both the first- and
	second-class meetings each semester. Class rosters will
	be final as of the end of the second week of classes.
	For specific procedures related to this policy, refer to
	WTC Procedure D-23.1.
	Students may withdraw from a class at any time by
	completing a withdrawal form in the Student Services
	Office. A student can only receive a "WP" grade if withdrawal is completed in the Student Services Office prior
	to the last date to receive a "WP" grade published
	in the academic calendar. Students who fail to withdraw by
	the specified time will receive a letter grade for the course.
	For specific procedures related to this policy, refer to WTC Procedure D-23.1.
Policy Type	Policy Description
Policy for Students with Disabilities	The Student Affairs Division provides counseling and
	support services which help students with disabilities to pursue academic programs of their choice and participate
	fully in campus life.
	The VP for Student Affairs can arrange counseling, special
	parking, priority registration, and other reasonable services
	needed by students with disabilities. Students with disabilities
	are encouraged to contact the VP for Student Affairs to
	discuss needs and concerns as they arise.
Policy for Academic Misconduct	All forms of academic dishonesty including, but not limited
	to, cheating on tests, plagiarism, collusion, and falsification
	of information will call for discipline. See the Student Code & Grievance Procedure in the
	Williamsburg Technical College Catalog for details.

The College operates on the semester hour system, and the following symbols are used in grading:
A Excellent
B Above Average
C Average
D Passing
F Failure
I Incomplete
WF Withdrawal while failing
WP Withdrawal while passing
Injuries must be reported to the VP for Student Affairs immediately. Insurance claim forms are available in the Student Affairs division. Please refer to the college catalogue for more information on how Williamsburg Technical College addresses safety and emergency issues. For additional information, contact Student Affairs at 843.355.4162. Students taking coursework at off-site locations are responsible for reading and adhering to all safety instructions and guidance at the off-site location.
Health Services and First Aid
Williamsburg Technical College is a commuter institution; therefore, infirmary facilities are not provided. Basic first aid for minor injuries is available, and first aid kits are located in various departments of the College. Major illness or injury will be treated by health professionals. The campus is located adjacent to Williamsburg Regional Hospital.
Each student is covered by accident insurance at no additional cost. This group insurance covers the student while on campus and during college-sponsored group travel.
