It is the policy of Williamsburg Technical College to comply with Policy 3-5-101 of the State Board for Technical and Comprehensive Education Policy Manual concerning transfer of student credits among technical colleges. In addition, the following institutional policies toward transfer apply.

Williamsburg Technical College willingly recognizes previous postsecondary course work of a student by accepting credits earned from other institutions of higher education that meet institutional quality assurances.

All students who present credit for evaluation and acceptance must be aware that the awarding of credit by Williamsburg Technical College does not guarantee that a subsequent institution will accept those credits.
