Attendance and participation are necessary for academic success. Williamsburg Technical College (WTC) expects students to attend all scheduled class meetings. WTC requires students to be present a minimum of 80% of all class lectures and laboratory sessions. Once a student has missed 20% of the course or two consecutive weeks, whichever occurs first, the faculty is obligated to withdraw students from the course. Individual programs may set higher required attendance and tardy standards, but must include these standards in their course syllabus and announce the requirements during the first two class meetings. Instructors will be given the flexibility to work with students in good standing who provide documentation to support a legitimate reason for an absence. It is the responsibility of the student to make up all missed class assignments within the time frame set by the instructor.
